Since 2008 itty bitty boutique, LLC has been helping families make raising kids more affordable! itty bitty is committed to continue helping all the families we serve in a safe way during your consignment and shopping experience with us. For our in-person sales, we are taking a number of steps to comply with guidelines regarding COVID-19 from the Oregon Health Authority guidelines for Retail Businesses.

What to Expect at Our Sale

- **Face Masks are Required** - Everyone who enters our sale, 5 years old and up, MUST wear a mask which covers your nose and mouth per state requirements. This includes all staff and shoppers. For anyone who is unable to wear a mask, we can offer a modified shopping experience with an online FaceTime or video chat shopping appointment with curbside pickup.
- **Bring Your Own Bag** - We are no longer able to offer our IKEA bags for you to shop with. You are welcome to bring your own bags or we will have blue IKEA bags available for purchase at the door for \$2.00 each.
- **Daily Sanitizing of Common Areas** - The Fairgrounds staff and the itty bitty team will be sanitizing the building and common areas frequently, including the check out area. All frequently touched spaces will be sanitized throughout the day. There will be hand sanitizer stations available for use as well.
- **Widened Aisles & Separate Entrance/Exits** - Our merchandise aisles and racks will be spread out to offer more room to shop and maintain social distancing. We will also have separate entrance and exit doors.
- **Occupancy Limits** - We will be limiting the number of people in the building at all times to maintain social distancing.
